

Privacy Statement

Effective date: March 1, 2013

Fundamentally, the privacy of web users must be protected and the most effective way to preserve that privacy is to confine their data to the site level. KingTaro collects no personally identifiable data, and therefore, protects user privacy.

This privacy policy applies to <http://www.kingtaro.com>, owned and operated by KingTaro.

Collected data is only the registration data you personally provided during the creation of an account on kingtaro.com.
